Soft free load board truck loads

For carriers, the Doft Load Board helps truckers find the right truck loads and cargo for their business. Find truck loads quickly Check the free rate Detailed ticket for each load Cargo search by city or country Choose from 10+ types of trailers for shippers However you choose to publish, we will align you with qualified carriers in minutes. Free load setting 100K Motor carriers See 14-day window for freight fares Get to the largest network of owner operators Publish loads manually, via TMS, website or email Free Doft Load Board is freemium - the main features are free. Enjoy the freedom of unrestricted access. Unlimited access All basic features are free Free freight fare calculator Ranked #1 best free loading board Search and post loads always for FREE \$0/month for unlimited search requests Find highly paid cargo trucks quickly and free using Freightfinder.com free loading plate searches. Hundreds of thousands of available cargo trucks and available trucks set up by carriers, freight brokers and direct shippers. Freightfinder is the original free freight matching board, which has been offering 100% free load and truck search since 1998. In addition to our secure real-time search of available trucks and cargo, our website offers a number of other truck and cargo-related amenities and services, including: Post Your Loads FreightFinder has partnered with PostEverywhere to bring you the most convenient method for publishing available trucks or cargo. Integrated with our real-time search, your one-time entry immediately appears to be available to shippers, brokers and carriers online and via email. And there's no risk, with our credit card required, a 100% free trial. Learn more on our post upload page and send your email address for full details. Post or Find A Job With median pay for truck drivers coming in at more than \$41,000 a year, trucking is proving to be a highly undervalued and neglected career choice. According Indeed.com, truck drivers for students and beginners will bring in between \$30,000 and \$41,000. But experienced professionals who have been in business for a while earn an average salary of over \$63,000! Visit our TruckingJobs page to post or discover current industry jobs. Browse our extensive industrial directory In addition to offering the longest-end free cargo/loading plate matching service on the Internet, we also have hundreds of companies listed in our transport links directory, which can be searched by keyword or category. You can also request inclusion in our directory right online! Perform refined industry searches See our robust search engine connected to trucks and cargo, Google. We've customized it to return only industry-related results, but we still maintain the volume, power, and speed that only Google can offer. Meet our partners and sponsors For free trials and promotions from other leading loading boards and cargo matching services, such as TruckersEdge.net, DAT Express and DAT Power. We invite you to mark our services by adding pages to your as well as visiting our sponsor websites, as they are what keeps us going. Advertise with us If you are interested in advertising on Freightfinder.com, please visit our advertiser information page. Free20.97 MB Continue the Doft Free Load Board app is the best way to find truck loads for truck drivers, owner-operators, carriers and dispatchers. Choose from 150,000 cargoes a day posted on our free shipping. Just enter the pickup location, destination and equipment type to easily find the cargo of the best brokers and shippers. Carriers can only tap the button on one of our prepaid cargo of direct shippers and book the load immediately, and the price you see is the price you get - no more games and negotiations back and forth. From pick up to withdrawal, the Doft app is your best load booking tool faster. • Free unlimited search from 150,000+ loads • Find loads by city, state, zip code or GPS based • Searchable free load board with Local and OTR hauls • Upfront Pricing for prepaid loads from direct shippers • Instant load booking with Book Now button on prepaid loads • Submit PODs In-app • Free 1-3 Day Pay • Rate check - free freight calculator & average market rate forecast • Fuel Surcharge Calculator • Search for loads back to your home base • Call brokers and shippers right from the app • Recent search history Find loads and truck freight to haul that your trucking business needs for any type of trailer, including: Dry Van, Reefer, Flatbed, LTL loads/Partials, Expedited freight, Power only, Stepdeck and many more. Check out the industry's average prices to help you calculate revenue and negotiate a better offer. Price verification is updated daily with thousands of loading providers and offers timely pricing information. You can also use the Doft app for loading plates to search for truck cargo and cargo on the web! Try it in . Just log in with the same information you use for the app. The Doft load board app is free to use and download unlike DAT, Truckstop, 123Loadboard or other loading boards. Doft does not charge commissions compared to other apps such as Uber Freight or Convoy.
